# About Kickstart Academy

Kickstart Academy is a Key Stage 4 Secondary School Pupil Referral Unit based in the thriving borough of Telford and Wrekin. The provision is going through a period of growth and rapid development as the Trust launch its wider vision in conjunction with the Local Authority to ensure our most vulnerable young people have the very best education.

The growth of Kickstart is linked to the DfE change project which has seen the provision grow from a 48 PAN Local Authority commissioned academy single centre to a three tier offer that meets the needs of all students. The different provisions provide a pathway to support our students back into mainstream or fully prepare them for further education, employment or training.

The structure places our students at the heart of every decision and it is this principle that allows us to fulfil the vision for Kickstart. Our students have a lived experience where they are supported beyond the norms, where therapeutic care and support holds equal priority to that of the academic curriculum. We want our students to 'buy back in' to their education, see its value and strive to meet their potential.

To deliver on these drivers, the provision has developed bespoke curriculums that provide launchpads for student regardless of starting points. Curriculums that focus on the core building blocks of English and Maths, additional qualifications that lead to college or employment, work related qualifications to ensure readiness for industry and above all a pastoral element to support the development of the individual. This entwined curriculum offer, whilst still in development, provides our students with a solid foundation that ignites a thirst for the next stage of their lives.

To support the delivery of such an ambitious curriculum and therapeutic approaches, the academy have developed a strong staffing body that care deeply for each and every student. The academy is developing its staffing in line with the new demands of the curriculum and this is an exciting time to join the provision as we shape roles and responsibilities. We have an established delivery team of teachers who are complimented by strong, dedicated support staff who always place the needs of the student first. Our wider staffing body of behaviour, pastoral and therapeutic staff combine to provide a team around the student.

The Trust vision for Kickstart is to provide the very best for each and every student, their families and their communities so it is clear that we need outstanding leaders whose vision and values align. Working within a Pupil Referral Unit setting is such a rewarding role but not without challenge, and as a result it is clear that an education skill base has to be matched with a resilience and a dedication beyond those expected. The ability to drive behavioural standards, drive high quality curriculum and compliment the pastoral provision of the academy is essential.

## Our Mission

Providing a formidable education, within the classroom and beyond, to inspire the next generation of global citizens.

## Our Vision

Developing compassionate, resilient and inspirational young people who can thrive within an ever-changing global community.

Dear colleague,

Thank you for your interest in the role of Deputy Headteacher at Kickstart Academy.

This is an exciting opportunity to join our local, and community-focused Trust at a pivotal moment in its growth. The Learning Community Trust (LCT) is now a well-established MAT in Telford and Shropshire, having grown significantly since welcoming our first academies in March 2018. With 13 schools now part of our Trust family, we have built an excellent reputation locally and regionally for delivering high-quality education and fostering strong community connections.

The Trust Central Team is based in Priorslee, and is further developing the central resources team to support our academies. At this important stage of our development, we are seeking a dynamic and experienced Deputy Headteacher to support the leadership and development of Kickstart Academy.

As a community-based Trust, we are deeply committed to serving the Shropshire area, working in close partnership with families, stakeholders, and communities to deliver exceptional educational opportunities. Equally, we are passionate about the wellbeing and professional growth of our staff, offering a culture of collaboration, opportunities for development, and access to high-quality training programmes.

This is an exciting leadership role where you will work closely with the Headteacher and the wider team to shape the future of Kickstart Academy. You will play a key part in driving school improvement, supporting staff, and ensuring the best possible outcomes for students. At LCT, we value the expertise and dedication of our team, and you will work alongside a talented and committed group of leaders who are united in their mission to ensure that we are an outstanding Multi-Academy Trust for our community.

The Learning Community Trust offers an environment where collaboration, innovation, and continuous improvement are at the heart of everything we do. You will be supported by a strong and experienced team that shares your passion for education and your commitment to achieving the best outcomes for all. This is a unique opportunity to make a meaningful impact on the educational experiences of our students, support our staff, and contribute to the success of Kickstart Academy and the wider Trust.

Yours faithfully,

Jane Hughes

CEO of the Learning Community Trust

## Our Mission

## Our Vision

Developing compassionate, resilient and inspirational young people who can thrive within an ever-changing global community.

## About the Trust

We are proud that our MAT spans education from 2-year-olds in our nurseries through to 25-year-olds within our specialist settings. We are currently made up of 5 primary schools, 5 secondary schools and 3 specialist settings and we believe in providing education for the whole community in the areas where we operate. In line with our vision, we have established a great partnership with Telford College and work with them on post-16 transition and curriculum, ensuring our students have clear progression pathways.

Our academies are in close proximity to each other, allowing staff to move quickly between sites for collaboration. This also presents opportunities academically, sporting and within the arts for our students to work together. Our Trust offices are at the centre of this and have excellent facilities for our schools to hold CPD and networking events, with a dedicated conference room and breakout spaces.

We keep our aims at the forefront of all we do; they represent our values as well as our intentions:

- To focus on excellence by achieving the best possible educational outcomes for our children and students by engaging and inspiring them, building their resilience and preparing them for work and adult life.
- To drive a collaborative culture across our schools which drives and supports improvement and develops all our staff as leading professionals.
- To provide the highest levels of care and support for our pupils so they can succeed, including those that are the most disadvantaged, vulnerable or with special needs in our community.
- To ensure our academies are at the heart of the community they serve and are truly inclusive organisations with equality for all across our community.
- To engage positively with our families and wider community, building partnerships and programmes that develop opportunities beyond the school sector.

The Trust currently has over 7,000 students, over 1,400 staff and we operate within a significant budget. There is a superb central executive team who support estates, HR, ICT, and deal with academy finance on a day-to-day basis. Our priority is to support our schools through an outstanding school improvement offer. We have an Executive Director of Education, Directors of Primary, Secondary and Special, Assistant Director for Education, and the use of experts from within our Trust and beyond to work directly with our academies. Our Executive team is exactly that, a team that supports our schools to achieve the best and live by our vision.

**Deputy Headteacher**  
**Kickstart Academy part of the Learning Community Trust**  
**Salary Range: L6-10 (£56,316 - £62,202)**

**Salary: Main scale**

**Working hours: Full time**

**Core Purpose**

The Deputy Headteacher will be responsible and accountable for defined aspects of the running of the academy, under the leadership of the Headteacher. The Deputy Headteacher will also be required to deputise for the Headteacher in their absence. Under the leadership of the Headteacher, the post will take strategic and operational responsibility for areas of leadership and the line management of associated staff. The role of the Deputy Headteacher is to provide crucial support to assist the Headteacher in the delivery and execution of leading and managing academy.

- Provide vision, leadership and direction to the staff, students and other stakeholders for their defined areas of responsibility and within the LCT ethos, policies and structures.
- Effectively manage key areas of responsibility.
- Ensure the best outcomes for students both in terms of attainment and progress.
- Promote excellence, equality and high expectations for all students.
- Manage and support academy performance and identify priorities for continuous improvement; ensure effective day to day management, organisation and administration; maintain very strong relationships with the community, stakeholders and partners.
- Work with the Headteacher and other senior leaders to create a safe and productive learning environment which is engaging and fulfilling for all students so that learners enjoy their education.
- Contribute to building a professional learning community within the school and Trust.

The Deputy Headteacher will support the Headteacher in the execution of strategic objectives and the operational activities to achieve academy goals.

**Academy Culture**

- Promote the school culture and strategic direction as an LCT school under the Trust ethos and key principles. Work to build a culture where pupils enjoy school and their learning and wider school life.
- Uphold ambitious standards for all pupils.
- Be a key part in creating a safe, orderly and inclusive environment where all members of the school community demonstrate positive and respectful relationships with each other. Promote staff professionalism.
- Support the Headteacher in ensuring the academy fulfils its duties under the SEND code of practice and provides a supportive environment for all to learners.

**Quality of Education**

- Support access to high-quality, expert teaching across all subjects and phases, promoting high levels of subject expertise and passion for learning.
- Ensure effective formative assessment takes place, and that assessment is used reliably and proportionately.
- Support the delivery of a broad, balanced and structured curriculum to meet the needs of all pupils in the school community. Develop middle leaders to ensure that curriculum leadership is effective and that subject leaders have access to professional networks and communities, promoting high levels of subject expertise.

### **Behaviour and Attitudes**

- Lead on pupil behaviour, built on positive and effective relationships between staff and pupils, and supported by rules and routines which are in line with the Trust ethos and expectations.
- Ensure the school community treat each other courteous and respectfully in accordance with the school's behaviour policy.
- Manage behaviour consistently and fairly, with due consideration to inclusion of all members of the school community.
- Train and support staff to model and teach required behaviours.

### **Academy Improvement**

- Provide staff with access to high quality, sustained professional development.
- Ensure professional development within the school prioritises effective planning, delivery and evaluation to meet required standards of professional development for all school staff.
- Plan professional development opportunities available to staff that draw on expertise from beyond the school and Trust, as well as within it.
- Take part in school improvement planning, leading on a specific area or areas.
- Take part in developing appropriate strategies for school improvement, supported by the Trust, which are both realistic and ambitious for our pupils.
- Implement strategies leading to the sustained improvement of the strategic areas over time.

### **Leadership and Governance**

- Ensure safeguarding is effective and that pupils and staff are protected and safe.
- Work in partnership with parents, carers and the local community.
- Work effectively with other schools and organisations, and with LCT schools in mutual co-operation and support. Support the building of effective working relationships with professional colleagues across public sectors for the benefit of our school communities and the enhancement of educational outcomes for our pupils.
- Work with the senior team so that staff know and understand their professional responsibilities and are held to account.
- Work with the Headteacher to ensure the school operates with required regulatory frameworks and meets its statutory duties.
